## Independent Accountants' Review Report

Board of Directors  
Excellence in Education Foundation for PGCPs, Inc.  
Upper Marlboro, Maryland

We have reviewed the accompanying statement of financial position of the Excellence in Education Foundation for PGCPs, Inc. (the Foundation) as of June 30, 2014, and the related statements of activities and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The Excellence in Education Foundation for PGCPs, Inc. (the Foundation) is a not-for-profit organization operated for the benefit of Prince George’s County Public Schools (the Schools). The Foundation was established on December 1, 2011 to provide scholarships to students, administer funds restricted for special school programs, and provide special awards to students attending the schools located in Prince George’s County, Maryland. The Foundation’s primary funding sources are donor contributions and fundraising events. The Foundation is a component unit of the Schools.

**Use of Estimates in Preparing Financial Statements**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Accrual Basis**

The financial statements of the Foundation have been prepared on the accrual basis of accounting. Net assets and revenues, expenses, gains, and losses are classified on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

*Unrestricted Net Assets* – Net assets that are not subject to donor-imposed stipulations.

*Temporarily Restricted Net Assets* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. There were no temporarily restricted net assets at June 30, 2014.

*Permanently Restricted Net Assets* – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes. There were no permanently restricted net assets at June 30, 2014.

**Cash and Cash Equivalents**

Amounts in demand deposits or short-term investments with an original maturity date of three months or less when purchased are considered cash and cash equivalents.

**Accounts Receivable**

Amounts due from participants and sponsors of the annual golf tournament are considered accounts receivable.

This information is an integral part of the financial statements.

**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2014**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Contributions**

Contributions are recognized as revenue in the period an unconditional promise to give is made. Contributions of assets other than cash are reported at their estimated fair value and, depending upon donor-imposed stipulations, reported as unrestricted, temporarily restricted or permanently restricted. Restricted contributions that are received in the same year the restriction expires are recorded as temporarily restricted and subsequently reclassified to unrestricted net assets.

Permanently Restricted Contributions – Contributions subject to donor-imposed stipulations that must be maintained in perpetuity by the Foundation are included in permanently restricted net assets. Generally, the donors of these assets permit the Foundation to use all or part of the income earned and capital gains on related investments, if any, for general or specific purposes. There were no permanently restricted contributions made during the year ended June 30, 2014.

Temporarily Restricted Contributions – Contributions subject to donor-imposed stipulations that may or will be met by actions of the Foundation and/or the passage of time are included in temporarily restricted net assets. There were no temporarily restricted contributions made during the year ended June 30, 2014.

Unrestricted Contributions – Contributions not subject to donor-imposed stipulations, or whose restrictions have been satisfied, are recorded as unrestricted net assets.

**In-Kind Contributions**

In-kind contributions represent wages and benefits paid by the Schools on behalf of individuals performing services for the Foundation, as well as other expenses paid by the Schools for the Foundation. A corresponding amount is included in the management and general expenses of the Foundation. The estimated value for these services for the year ended June 30, 2014 was \$40,152.

**Income Tax**

The Foundation is exempt from taxation under the provisions of Section 501(c)(3) of the Internal Revenue Code. Accordingly, no income tax expense has been provided in the accompanying financial statements. Returns for the fiscal year 2012 (first year of operations) remain subject to examination by federal and state tax jurisdictions.

**Accounting for Uncertain Tax Positions**

The Foundation has adopted the guidance in Accounting for Uncertainty in Income Taxes (ASC 740-10), which prescribes a threshold of more-likely-than-not for recognition and de-recognition of tax positions taken or expected to be taken in a tax return. It also recognizes related guidance on measurement classification, interest and penalties, and disclosure. The Foundation does not believe that there are any unrecognized tax benefits or costs that should be recognized.

This information is an integral part of the financial statements.
